
Unable To Launch Jvm Dll Odi

Unable to start Jvm Dll. Odi was unable to start the Java Virtual Machine, cannot start the Java application, cannot start iis Express, cannot start the application. NET Core, unable to start iis express I have an application that creates and runs an sqlite database on my server. But when I try to run it on my laptop it doesn't do anything, I get the following error message (below): Unable to start JVM Dll. Odi was unable to start the Java Virtual Machine, unable to run Java app, unable to run iis Express, unable to run .NET Core app, unable to run iis Express Error at line:
